Dear Dr Chang:

On behalf of the Board of Directors of the Commission on Accreditation of Medical Physics Education Programs (CAMPEP), I am pleased to inform you that the University of North Carolina Residency Program in Radiation Oncology Physics has been granted reaccreditation through December 31, 2016. This accreditation is contingent upon completion of acceptable annual reports.

Please accept our congratulations on the reaccreditation of your program. You are expected to provide annual progress reports and also to provide information regarding any substantive changes in the program.

By separate cover, you will receive a framed certificate acknowledging reaccreditation of the program. Please contact me if you have any questions or suggestions on the accreditation process.

Sincerely,

Wayne Beckham, PhD
