Dear Dr Coffey:

On behalf of the Board of Directors of the Commission on Accreditation of Medical Physics Educational Programs (CAMPEP), I am pleased to inform you that the Graduate Programs in Medical Physics (DMP and MS), Vanderbilt University, have been granted reaccreditation through December 31, 2019. Please note that the program is in violation of CAMPEP Residency Standard 4.2. This violation may be remedied either by increasing the physics staffing, reducing the number of radiation oncology residents, or adding a residency position at a second affiliated site.
