Medical Physics Continuing Education Credit (MPCEC)

DIRECTOR'S CONFLICT-OF-INTEREST QUESTIONNAIRE

The CAMPEP Board requires that the MPCEC Committee determine whether industry supported scientific and educational activities represent a conflict-of-interest. If the director(s) or organizer(s) of the proposed program have any significant support or affiliation with companies that market products associated with the practice of medical physics, the questions below should be answered as appropriate. If the answers to questions 2 and 4 are affirmative, a letter of support agreement (Form 6) or similar document must be completed. This document can be a letter as long as it reveals the character and extent of the financial support.

Program Title: _____

Factors Considered in Evaluating Activities and Determining Independence

1. Has the director maintained full control over the content of the program and the selection of speakers and moderators?

Yes ___

No ___ Explain: _____

2. At the time of program and in promotional materials will the following be made clear to the audience: 1) the source of commercial support, 2) any significant relationship the director or faculty and the supporting company and 3) whether any unapproved uses of products will be discussed?
